# Who we are

Qdot International is established with a vision to serve the industry and deliver best management system solution service(s) for wide range of international / local standards, technical regulations and guidelines.

Our team comprises highly trained management professionals, who work relentlessly to provide excellent services to grab highest level of customer satisfaction by developing sustainable systems.

We help you transform your business so that it responds quickly to ever-changing levels of competition, Customer expectation and market flux.

This means rethinking how processes, people and information can be integrated across your company. Reinventing rigid, costly or under-productive processes. Replacing them with flexible, scalable, productive and cost-effective processes by utilizing ISO 9001:2015, ISO 14001:2015, HACCP, ISO 22000:2005, ISO 45001:2018, ISO 22176 (GMP), Halal and other international management systems.

Qdot has the vast experience and expertise to effectively coach your organization and to correctly interpret the international standard for your particular application. We have worked with a wide variety of clients including companies in manufacturing, electronics, education, staffing, trading, food storage, hotels, restaurants and many more. The organizations have ranged in size from very small to very large, with one site or multiple locations.
